

Dear Interested Citizen,

On May 19th, the LCRA Board made a commitment to offer the Hamilton Pool Road community in-kind assistance in developing a local plan to address traffic, open space, schools and other planning issues. In keeping with that commitment, we have hired a team of neutral, experienced facilitators who have drafted and refined a process for community planning. You are invited to an informational meeting on July 27, 2004 at Star Hill Ranch (see enclosed map) from 7:00 to 8:30 p.m. to learn more about that process.

This meeting will help you:

1. Understand the Hamilton Pool Road planning process, distinct from other area planning processes.
2. Understand collaborative planning processes.
3. Identify potential candidates for the Core Planning Group.

This will be an informal meeting, led by our facilitators. It is not a meeting to discuss the waterline. The agenda for the meeting is included in this mailing. We hope you can join us as we begin an exciting process whose goal is to help residents and land owners along Hamilton Pool Road identify a shared vision and collaborate to remove barriers to that vision.

If you have questions about the meeting, you can contact Sara Morgenroth at 473-3564 or Fred Crawford at 512-369-4132. We look forward to seeing you and your neighbors on the 27th.

Sincerely yours,

Rick Bluntzer
Deputy General Manager
