Top Environmental Priorities for Legislature Announced By ACT - Alliance for a Clean Texas

WHAT: Top legislative priorities to clean up Texas and improve public health will be announced by ACT, the Alliance for a Clean Texas, which has 26 statewide and regional member groups, including faith-based, consumer, and environmental organizations.

WHEN: Tuesday, January 18th - 9 AM

WHERE: Texas State Capitol, Speaker's Committee Room
2nd floor, outside entrance to the House Gallery

WHO: Tentative speakers include

Dr. Kimberly Carter - Ob/Gyn - Power plant clean up

Mayor Sherry Phillips - McCamey - Energy issues

Pepper Morris - The Guardians of Lick Creek - Water issues

Suzie Canales - Corpus Christi resident - Enforcement

Representatives of various ACT organizations will be available for comment, including specifics on some local and regional issues.
